

# Blue Wren Relationship Education 'Line In the Sand'- Men's Programs BYRON BAY, NSW

Saturday 18<sup>th</sup> - Sunday 19<sup>th</sup> June  
9.00am – 5.30pm each day

**A call out to ALL MEN - We are gathering in Byron Bay  
Come and join us and help us make some real social and cultural changes**

**We deliver empowering, innovative, transformative education programs for the enhancement of relationships and the prevention of family and domestic violence**

Our programs are designed to engage and support men from all sectors of society. It is about working directly with all men, so that we can all get to understand and work with our own unique and personal 'Line in the Sand'. It is about exploring, discovering and working with our beliefs, attitudes, understandings, feelings, emotions, actions and behaviours in relationships and finding ways to make some positive and real changes.

When we get to know and own our own personal 'Line in the Sand', then we can take some positive steps to do whatever it is that we need to do to make things better. Our programs are held in safe, professionally run environments and have solid frameworks, guidelines and processes in place. Our team of facilitators are caring, understanding and very committed.
